

# 01 Whistle Now!

## 01. The Client

Vigilance and Anti-Corruption Bureau is the government authority that is responsible for the investigation and prevention of corruption in the state of Kerala, India. As the only agency that is specialised in investigating corruption offences, it is the duty of Vigilance & Anti-Corruption Bureau to ensure that offenders are brought to justice and keep the state of Kerala corruption-free.

## 02. The Requirement

Since making Kerala a corruption-free state is not possible without the participation of public, vigilance and anti-corruption bureau Kerala identified the need to develop a platform that helps the citizens of the state to participate in their fight against corruption and turn every citizen into a whistle-blower.

## 03. The Solution

Our team conceptualized, developed and deployed a mobile-based solution that is helpful for the common men of the state, even if he or she lacks any technical knowledge, to report corruption and illegal incidents happening in the society.

## 04. Features

### **Whistle**

Registered users can blow whistles to expose corruption and scams happening in society, real-time.

### **Feature to cast votes and add comments**

Registered users have the option to cast upvotes and downvotes for each whistle blown along with a provision to add comments.

### **Whistle on the map**

Helps to identify the total number of incidents reported by users, real-time.

### **Push notification**

Push notifications are sent real-time based on the location of the incident reported.

## 04. Features

### **Facility to add attachments**

Users of Whistle Now! have the privilege to add audio, video, picture or documents as supporting evidence for the 'Whistle' blown.

### **Simple to use**

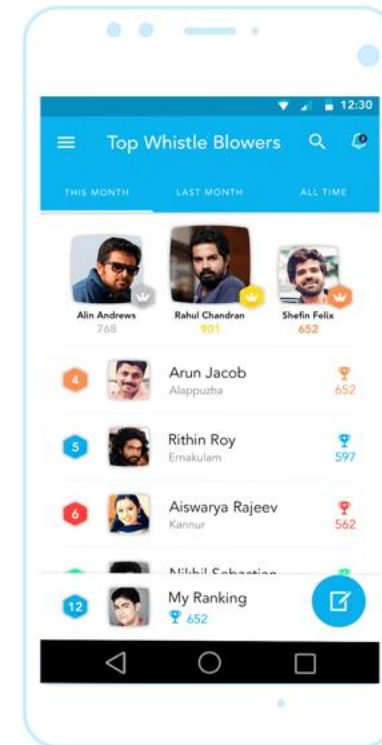

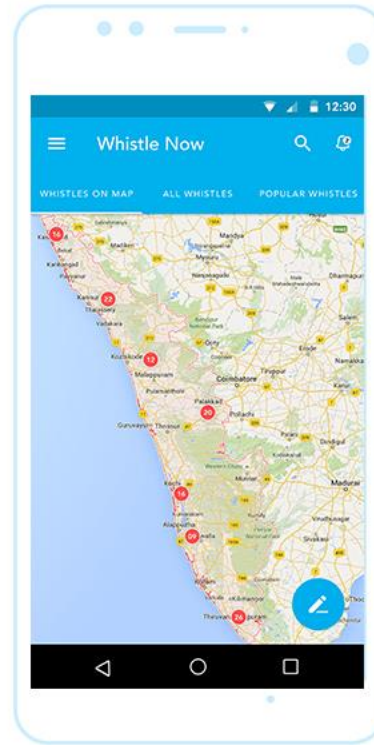

Whistle Now! is very simple to use even by a person who lacks any technical knowledge. Since the feel and functions offered by the solution are very similar to a social media app, it is easier for anyone to master "Whistle Now!".

### **Government and public participation**

Notifications are sent to the corresponding authorities every time a new whistle is blown which in turn help them to take necessary action to solve the issue that is reported by a common man.
